Holiday Traditions

Some traditions have changed a bit over the years as our children are now grown and grandchildren are a part of our Christmas. However, one thing that hasn't changed is to attend our church Christmas Eve service. The music director sings Oh Holy Night every year, a favorite of everyone there.

MERRY STARTS HERE

Sweetwater

Where does your "Merry" start? Maybe it's the day after Thanksgiving with the rush of the crowds. Or it might be pulling out a cherished ornament from childhood and placing it on the tree. For many of us, it's the time spent creating Christmas for the people we love. From baking the perfect sugar cookies to stitching a one-of-a-kind family Christmas quilt, our "merry" starts with "making".

We created our "Merry Starts Here" collection in that spirit. It's perfect for all those things we love to create for Christmas – stockings, table runners, gifts and of course, quilts. We love the traditional colors of red and green combined with the modern prints. Our "merry" definitely starts here!
