Freya & Fred

What will Freya wear today? Inspired by the paper dolls I loved playing with when I was little, and remembering how much fun it was to dress them up, I've created a book full of applique templates for a girl called Freya. She has a full wardrobe of clothes for her and her friends and a sweet dog called Fred.

Enjoy a busy week of parties, picnics, baking and playing with Freya and Fred. With seven quilt patterns (all perfect for my Freya and Friends fabric), embroidery projects and so much more!
