

Sunshine AND Blue Skies

CREATE JOY PROJECT

Drawing upon a rich tapestry of vintage linens and a cherished heritage, the Sunshine & Blue Skies fabric collection by Laura Muir for Moda Fabrics is a heartfelt tribute to the warmth of yesteryears and the enduring comfort of family memories. The inspiration for this line stems from Laura Muir's own treasury of vintage sheets and fabrics, lovingly amassed over time, with some of the most precious pieces tracing back to her dear grandmother's 'Sunshine Room'. It was there that the cheerful yellow roses on bedsheets and pillowcases blossomed into fond recollections, as vibrant and soothing now as they were in Laura's childhood.

Every pattern in the Sunshine & Blue Skies collection is a nod to this legacy, echoing the happiness and solace found in those sweet, sunlit chambers. The artwork, while radiating a distinct modern vibrancy, preserves the essence of the vintage floral designs that Laura holds dear, especially those that continue to inspire her ongoing love affair with floral sheets of bygone eras.

This fabric collection is not merely an assembly of designs; it is an invitation to bask in the nostalgia of Laura's 'Sunshine Room', to wrap oneself in the embrace of a sunny disposition, and to craft new memories that are as vivid and joyful as the prints themselves. With Sunshine & Blue Skies, Laura Muir of Create Joy Project for Moda Fabrics aspires to share not just fabric, but a slice of happiness and a burst of warmth that can only be compared to a clear, joyful day under the sun-drenched sky.
